

Aircraft and Airport Noise Disclosure Statement

The buyer hereby acknowledges that he/she is aware of the proximity of McCarran International Airport (and/or other airports). The Buyers also are aware of flight paths that aircraft use to ingress and egress the airport and their proximity to this development and the lot and property that he/she has offered to purchase. The buyer also understands that existing and future noise levels at this location, associated with future airport operations, may have an effect on the property. The buyer also understands that local airports have been at their present location for many years and that future demand and airport operations may increase significantly. An Aviation easement has been granted. For further information, please contact the Clark County Department of Aviation at P. O. Box 11005, Airpo-1, Station, Las Vegas, Nevada, 89111 or telephone (702) 261-5100.

The Buyer(s) acknowledge receipt of this disclosure.
